## FREQUENTLY ASKED QUESTIONS

**Does our group need to have individuals sign a hold harmless agreement and/or medical waiver?** No. However, we do ask that if you are part of an organization, such as a church, school, etc., that you provide proof of insurance for off-site activities.

**Can we build a bonfire?** Yes. We have a couple of designated sites for bonfires. If available, wood may be collected on site or groups may bring their own.

**Are paper products available?** Yes. Barefoot Republic provides all toilet paper and paper towels. However, we ask that each group bring their own paper plates, cups and utensils if not utilizing our food services.

**Do Barefoot Republic Camp staff live on site?** No. However, our facilities director lives outside of Scottsville and is on call for any needs that may arise. His contact information is included in our welcome packet for groups renting the facility.

**What are best places to stop between Nashville and Barefoot Republic Camp for fuel and meals?** We recommend stopping for fuel off of exit #2 or exit #6 right after you enter Kentucky. These exits have the cheapest fuel. Exit #2 has a Cracker Barrell, Zaxby's and Burger King. Exit #6 has a Wendy's and Subway. We also recommend grabbing a meal in Scottsville on the way to the camp. Earl G. Dumplins is on the way and our favorite spot! There is also Alpine Steakhouse & Harper's Catfish if you want local cuisine. Or, you can always stop at Pizza Hut, Subway, China King or the local Mexican restaurant. Finally, if you are craving a candy bar, drink, sandwich or need gas in a pinch, you can visit Ms. Ann at Notley & Ann's Bait Shop, which is located less than a ¼ mile from the camp. Please tell Ms. Ann that Tommy sent you!

**What type of audio/visual equipment is available?** We have a small PA that is available for no additional charge. We also have additional equipment and instruments in our recording studio that may be utilized, but we do ask that you make prior arrangements and handle all of the equipment that we utilize for camp with care! There is also a projector available.

**Do you have paint ball equipment?** Yes. We own 12 Tippmann 98 paint ball guns. These are available to rent for \$10 per day per gun, which also includes CO2 refills (tank

on campus). We also supply paint balls at cost (\$40/box). We do require that you use our paint for our guns to help us preserve the life of our equipment. Please feel free to bring your gear if you would like to play as well, but make prior arrangements so we can insure that the trails and field are prepared in advance for your group.

**Can our group use the low ropes course?** Yes. We currently have 8 initiatives on the low ropes course (trust fall, wild woozy, single-line traverse, Mohawk walk, climbing wall, all aboard, spiders web and fireman's chute). We encourage each group to bring their own facilitators, but we also have a list of folks available (fees vary based upon the facilitator).

**Can our group utilize the recording studio?** Yes. The recording studio may be utilized for an additional \$200/day. However, we do require the presence of an approved engineer. If interested, please make prior arrangements. Barefoot Republic also has a list of available engineers (additional fees vary based upon the individual).

**Can we bring more than 150 people on our retreat?** YES. We have had groups squeeze more than 150 folks into the treehouse cabins, barn and multipurpose building. The numbers we list, however, are what we would recommend. The lake house may also be rented separately for additional accommodations (see below). Groups are also welcome to bring tents for outdoor camping and there is 1 RV hookup located on campus.

**Is there a private place for a guest speaker, pastor, family, etc. to stay?** YES. We can set up one of the classrooms in the multipurpose building as a private bedroom (full bath in the basement) and there is also a lake house that may be rented for an additional charge on property adjacent to the camp. The lake house sleeps up to 16. Camp rates apply and there is a minimum nightly fee of \$150 per night.

**How many people can the Sparrow Amphitheater accommodate?** Our current arrangement can seat ~125. However, we have an additional 100 outdoor chairs that may be utilized for groups up to 225.
